

Maroon Band Boosters, Inc. P.O. Box 109, Madisonville, KY 42431

Dear Community Member:

Your Madisonville North Hopkins High School Marching Maroons Band program is in emergency and desperate need of your support. Our 10-time Class 4A State Championship band is lacking the ability to purchase a replacement semi-tractor required to transport the band's trailer to competitions, including the State Finals Competition held in late October.

The Marching Maroon band strives for the highest level of musical excellence through personal dedication and a strong work ethic. Our students have established a culture built upon support, encouragement, and respect. Through their loyalty to one another, our students have truly created a "band family". Our program continues to achieve amazing results, placing 2nd in Class 4A at the State Finals in 2018 among growing and tougher competition. For the 2021-2022 school year, 90 band and color guard students will take the field at school home football games, 6 area marching festivals, and participate in community parades. To be successful, a program of this size requires not only parental involvement, but also strong support from the community.

As a community business, you have the opportunity to join the Marching Maroons as we work together to provide the funds needed to get this "Show on the Road" and ensure that the band props and equipment will be at competitions with our hard-working students as they perform with PRIDE. We know that the need is great throughout our community to support many different school and athletic activities. We hope that you can understand this unique special circumstance and help us overcome this emergency.

We need to raise **\$25,000** immediately to replace this semi-tractor with a quality used unit. We are asking that you consider a sponsorship level of \$4,000 - \$5,000 to get the band rolling again. Your donation is completely tax deductible. We appreciate any level of sponsorship that you can provide.

Thank you for your consideration and all that you do to support our community.

Sincerely,

Brian J. Hardesty
President, Maroon Band Boosters

WE NEED YOUR HELP EMERGENCY FINANCIAL SUPPORT NEEDED

Our Madisonville North Hopkins Marching Maroons are in desperate emergency need of financial support.

The semi truck, that is critical to moving our props and equipment to and from our contests, no longer runs and is beyond reasonable repair.

The band boosters must raise \$25,000 to replace this semi truck.

Without our communities support, the band will be without means to move the needed props and equipment to support our 10 Time Class 4A State Championship Band.

To help a 504c nonprofit school system, please contact:
